## From The Director's Desk

These are exciting times at the service. As we begin to expand to cable we are reaching a much larger audience. You can tune in to our audiocast Monday through Friday from 7:00-10:00 a.m. on Comcast Channel 6 in Mobile.

We are working to get on to additional cable systems and we will be keeping you informed.

Here are some programming changes we hope you will find to your liking:

Radio Entertainment Network with its archive of radio classics from the 1930s, 1940s and 1950s will be heard Saturday nights from 8:00-10:00 and Sundays from 11:00 a.m. until 1:00 p.m.

Entertainment Weekly comes to Sunday afternoons at 5:00pm.

The Obits and Features will now be heard Monday-Friday at 9:30 a.m. and 7:30 p.m. Sports from the Press Register will air at 10:00 a.m. and 8:00 p.m.

Book Nook will now be a 30 minute Monday through Friday reading at 3:00 p.m. followed by an exercise show called Take 20 for Fitness @ at 3:30 each weekday afternoon.

Though our broadcast hours are 5:00 a.m. until 12:00 midnight our live stream at [www.alaprint.org](http://www.alaprint.org) runs 24 hours and the last pages of this guide give you the overnight schedule. You can also use the website to listen to on-demand readings at your convenience.

Thanks to the many of you who contributed during our listener campaign. Your monetary donations are always welcomed and always important to listeners.

Finally, we would like to recognize the many sponsors whose cash and in-kind support make our service possible. Here is that information as we go to print:
